### Erasmus+

Erasmus+ offers the opportunity for adult education organisations to send adult education staff abroad to receive training.

### The Project Aims

to use the know-how about Europe in European project management trainings and more generally in German language and integration courses for asylum seekers and migrants.

### CREATE-SHARE-GROW-LINKUP

The **enlargement** of the EU has been a successful process over the past years creating partnerships between European countries and linking up European citizens.

### BREXIT

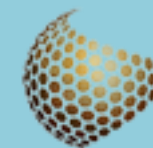

With the EU referendum in the United Kingdom the enlargement has come to a critical point. The process of leaving the EU can serve as a good example to learn about the European Union - with pros and cons.
